

2. PICTURED PEARL NECKLACE MATERIALS

25 x head pins brass

1 x 14mm parrot clasp brass

9 x 5mm jump rings brass

45cm 5x7mm chain brass

1 x chain brass – 4 links

BEADS

8 x 8mm round Picture Jasper

8 x Golden Brown pearls

8 x brass Swerve charms

9 x 8mm Topaz glass faceted rounds

2. PICTURED PEARL NECKLACE STEP ONE

Individually thread all beads onto head pins and form a loop; cut off excess wire.

STEP TWO

Using 5mm jump ring attach parrot clasp to one end of the chain. Open loop of 1 x 8mm Topaz faceted head pin; add to other end of chain, close loop.

STEP THREE

Add beads and charm to chain in the following order:

Link 1: Add 1 x Swerve charm using 5mm brass jump ring.

Link 2: Add 8mm Topaz glass faceted round by opening loop on head pin.

Link 3: Add Golden Brown pearl by opening loop on head pin.

Link 4: Add 8mm round Picture Jasper bead by opening loop.

STEP FOUR

Repeat steps as above in reverse order, finishing with Swerve charm.

STEP FIVE

Using 1 x 5mm jump ring add Swerve charm to chain 17cm from parrot clasp. Add 1 x 8mm Topaz faceted to the next link; on the following link add 1 x Golden Brown pearl, add 1 x 8mm round Picture Jasper to the next link. Repeat this pattern along the chain two more times.

STEP SIX

Attach four link chain from Step 3 with beads, using 1 x 5mm brass jump ring to next link.

STEP SEVEN

Add remaining beads as in Step 5 reverse order, starting with 8mm round Picture Jasper, finishing with Swerve charm.

4. SHELL ROUND NECKLACE MATERIALS

9 x head pins nickel

14 x eye pins nickel

3 x 8mm jump rings nickel

50cm 9x7mm chain nickel

BEADS

3 x 30mm thin white shell donuts

2 x 30mm white shell coins

5 x 16mm Charcoal shell coins

2 x 16mm white shell coins

4 x 12mm Charcoal shell coins

4 x 12mm white shell coins

4. SHELL ROUND NECKLACE STEP ONE

Place each 12mm Charcoal shell coin, 16mm Charcoal shell coin onto head pins; form a loop, cut off excess head pin.

STEP TWO

Thread 1 x head pin from the inside of the donut, form a loop on the outside of the donut. Cut off excess wire. Repeat on the second side of donut. Repeat for all shell donuts.

STEP THREE

Thread remaining beads each onto eye pins; form a loop, cut off excess eye pin.

STEP FOUR

Join the beads in the following order:

1 x 16mm Charcoal shell coin;

1 x 30mm thin white shell donut;

1 x 12mm white shell coin;

1 x 30mm white shell coin;

1 x 16mm Charcoal shell coin;

1 x 12mm Charcoal shell coin;

1 x 16mm white shell coin.

Add another 30mm thin white shell donut and continue adding beads in reverse order.

STEP FIVE

Attach 16mm Charcoal shell coin to the chain, adding to the first link on the chain; repeat this step on the other side to attach the other end of the chain.

STEP SIX

To create first dangle, join 1 x 12 white shell coin eye pin to 1 x 12mm Charcoal shell coin head pin. To create second dangle, add 1 x 16mm Charcoal shell coin head pin to 1 x 12 white shell coin eye pin. Third dangle 1 x 12mm Charcoal shell coin head pin.

STEP SEVEN

Using 1 x 8mm jump ring for each dangle, add to the middle donut at the bottom and close jump ring.

8. PINK WHIMSY NECKLACE

STEP ONE

Place each piece of Pink Candy Jade onto an eye pin; form a loop, cut off excess pin.

STEP TWO

Put 1 x 30mm pink shell coin onto a head pin; form a loop, cut off excess pin. Put 1 x 30mm pink shell coin onto an eye pin, form a loop, cut off excess pin.

STEP THREE

Thread 1 x head pin from the inside of the donut; form a loop on the outside of the donut. Cut off excess wire. Repeat on the second side of donut.

STEP FOUR

Place each pink shell rectangle onto head pins; form a loop and cut off excess pin.

STEP FIVE

Thread 3 x pink shell roughcut squares onto a head pin; form a loop and cut off excess pin.

STEP SIX

Place each 2 x pink shell roughcut rounds onto head pins; form a loop and cut off excess pin.

STEP SEVEN

Individually put 2 x pink shell roughcut rounds onto eye pins; form a loop and cut off excess pin.

STEP EIGHT

Cut 9x7mm chain into three pieces – 1 x 7cm, 1 x 15.5cm and 1 x 45cm. At one end of 7cm length add 30cm pink shell coin head pin using 1 x 5mm nickel jump ring.

STEP NINE

Cut nickel 3x2.5mm chain into two pieces measuring 1 x 16cm and 1 x 5cm. At one end of 5cm length, add pink shell roughcut squares head pin, opening and closing loops.

STEP TEN

Cut 2x3mm chain into three lengths – 1 x 4.5cm, 1 x 2.4cm (or eight links) and 1 x 5cm. Using 1 x jump ring add all three pink shell rectangles to one end of the 2.4cm (eight link) piece of chain.

STEP ELEVEN

Open loop on 1 x pink shell roughcut round head pin; add to the end of 4.5cm piece of

chain, close loop.

STEP TWELVE

To one side of 1 x Pink Candy Jade eye pin, use 1 x 5mm jump ring; add top loop of eight link piece of chain with pink shell rectangles attached, the top loop of 5cm chain with pink roughcut squares attached, the top loop of 4.5cm chain with pink shell roughcut round.

STEP THIRTEEN

Using 1 x 5mm jump ring add top of pink jade to Link 5 of the 15.5cm length of 9x7mm chain.

STEP FOURTEEN

Join 2 x pink shell roughcut round eye pins together, add the pink shell roughcut round head pin to the end opening and closing loops; add 5cm length 2x3mm chain to the top, opening loop on pink shell roughcut eye pin.

STEP FIFTEEN

Using jump ring add the above piece to Link 5 of the 15.5cm length of 9x7mm chain.

STEP SIXTEEN

Using jump ring add 7cm length 9x7mm chain with 30mm pink shell coin head pin attached; to Link 5 of the 15.5cm length 9x7mm chain, add one end of 16cm length 3x2.5mm chain.

STEP SEVENTEEN

Using jump ring add other end of 16cm length 3x2.5mm chain to one side of 30mm pink shell coin eye pin, add long end of the 15.5cm length 9x7mm chain. Other side 30mm pink shell coin eye pin add one end of 45cm length 9x7mm chain using 1 x jump ring.

STEP EIGHTEEN

Using jump ring join end Rose Pink shell donut to Pink Candy Jade. To second side Pink Candy Jade add other end 45cm length 9x7mm chain using 1 x jump ring. Add second side Rose Pink shell donut to the first link of the 15.5cm length 9x7mm chain using 1 x jump ring.

8. PINK WHIMSY NECKLACE

MATERIALS

5 x nickel eye pins

9 x nickel head pins

11 x 5mm nickel jump rings

65cm 9x7mm nickel chain

23cm 3x2.5mm nickel chain

12cm 3x2mm nickel chain

BEADS

2 x 30mm pink shell coins

2 x Pink Rose Candy Jade

1 x 35mm Rose Pink shell donuts

3 x pink shell rectangles

3 x pink shell roughcut squares

4 x pink shell roughcut rounds

10. SKY PRINCESS NECKLACE MATERIALS

18 x head pins nickel

1 x silver Roman toggle

1.6m 3x2.5mm chain nickel

2 x 5mm jump rings nickel

18 x 7mm silver Bali style bead caps

BEADS

9 x silver leaf

9 x silver mini rope spacers

9 x 4mm blue glass rounds

9 x blue glass ovals

18 x 8mm blue glass faceted rounds

10. SKY PRINCESS NECKLACE STEP ONE

Cut chain into three lengths – 1 x 47cm, 1 x 52cm, 1 x 57cm.

STEP TWO

Using 1 x head pin add 1 x mini rope spacer, thread through a link of the first piece of chain 13cm from the end. Add 1 x 8mm blue faceted round to the head pin, thread through a link of the second piece of chain 13.5cm or two links longer than first piece from the end. Add 1 x 8mm blue faceted round to the head

pin, thread through a link in the third piece of chain 14cm or two links longer than second piece from the end. Form a loop and cut off excess wire.

STEP THREE

Repeat this step eight more times, leaving a gap of 11 links between each head pin on the first piece of chain, 13 links on the second piece of chain and 15 links on the third piece of chain.

STEP FOUR

On 1 x head pin thread 1 x bead cap, 1 x blue oval, 1 x bead cap, 1 x leaf, 1 x 4mm blue round; form a loop, cut off excess head pin. Repeat this step eight more times making 9 x blue oval leaf dangles. Open loop on 1 x leaf dangle, add to first eye pin loop from Step 2. Repeat this step attaching all leaf dangles.

STEP FIVE

Add the first link of chain to jump ring; add one side of the toggle, close jump ring. Repeat for second toggle piece making sure each piece of chain is two links longer than previous chain.

11. SKY PRINCESS BRACELET MATERIALS

18 x head pins nickel

2 x 5mm jump rings nickel

1 x silver Roman toggle

56cm 3x2.5mm chain nickel

9 x silver mini rope spacers

18 x 7mm silver Bali style bead caps

BEADS

22 x 8mm blue glass faceted rounds

5 x blue glass ovals

4 x 4mm blue glass rounds

11. SKY PRINCESS BRACELET STEP ONE

Cut chain into three equal lengths of 18.5cm.

STEP TWO

Thread 1 x head pin through 1 x silver mini rope spacer bead, add 12th link of the first piece of chain, 1 x 8mm blue glass faceted round, 12th link of the second piece of chain, 1 x 8mm blue glass faceted round and the 12th link of the third piece of chain; form a loop, cut off excess head pin. Repeat this step eight more times, leaving a gap of seven links between each head pin.

STEP THREE

On 1 x head pin thread 1 x bead cap, 1 x blue oval, 1 x bead cap; form a loop, cut off excess head pin. Repeat forming five blue oval dangles.

STEP FOUR

On 1 x head pin thread 1 x bead cap, 1 x 8mm blue glass faceted round, 1 x bead cap, 1 x 4mm blue glass round; form a loop,

cut of excess head pin. Repeat forming 4 x blue faceted dangles.

STEP FIVE

Open loop on 1 x blue oval dangle, add to first eye pin loop from Step 2. Open loop on 1 x blue faceted dangle and add to second eye pin from Step 2. Alternately add for each of the loops from Step 2 for the remaining dangles.

STEP SIX

Attach toggle using 1 x 5mm jump ring; add the first link of each piece of chain. Repeat for second side.

Design note: You should be left with 11 links from the last head pin. Adjust the links to size.

15. CHARMING CHARCOAL NECKLACE MATERIALS

1 x 14mm parrot clasp black
 1 x 5mm jump ring black
 24 x head pins black
 2 x eye pins black
 45cm 5x3mm chain black

BEADS

1 x Light Tea quartz
 2 x 30mm Smokey Chocolate shell coins
 4 x 16mm Charcoal shell coins
 2 x 12mm Charcoal shell coins
 2 x Blue/Black-Lilac rough cut round shells
 4 x 10mm Pewter faceted glass rounds
 4 x Hematite Drums
 4 x 4mm Steel Blue glass rounds
 7 x 8mm Grey faceted glass rounds

15. CHARMING CHARCOAL NECKLACE STEP ONE

Using 1 x head pin add 1 x Hematite Drum and 1 x 4mm Steel Blue round; form a loop, cut off excess wire, repeat.

STEP TWO

Using 1 x eye pin place 1 x 8mm Grey faceted; form a loop, cut off excess wire; repeat.

STEP THREE

Thread remaining beads individually on head pins; form a loop, cut off excess wire.

STEP FOUR

Open loop on 1 x Grey faceted eye pin, add 1 x 10mm Pewter faceted head pin, close loop.

STEP FIVE

Using jump ring add parrot clasp to one end of the chain. Open loop on 1 x Grey faceted head pin and add to the other end of chain.

STEP SIX

Open loop on 1 x Blue/Black-Lilac rough cut round shell, add to chain 13cm from the end of the chain with the clasp on it.

STEP SEVEN

Continue adding on beads leaving one link between in the following order:
 Hematite Drum with 4mm Steel Blue dangle;
 16mm Charcoal shell coin;
 10mm Pewter faceted glass round on head pin;
 30mm Smokey Chocolate shell coin;
 8mm Grey faceted glass round on head pin;
 Hematite Drum with 4mm Steel Blue dangle;
 12mm Charcoal shell coin on head pin;
 8mm Grey faceted glass round on eye pin with 10mm Pewter dangle;
 16mm Charcoal shell coin;
 8mm Grey faceted glass round on head pin.

STEP EIGHT

Add on Light Tea Quartz as the feature of the necklace.

STEP NINE

Add remaining beads as above in reverse order starting with 8mm Grey faceted head pin. Finish with the Blue/Black-Lilac rough cut round shell on head pin as last bead.
